[REDACTED] project was re-activated as of 15 September 1948, upon approval of Headquarters, on the basis of an oral contract calling for the payment of a monthly salary of [REDACTED]

which can be terminated at any time by either party. I know that [REDACTED]

25X1A2g

[REDACTED] would not be willing to sign a written contract and no useful purpose would be served in pressing him to do so. The present oral contract does not call for the payment of expenses.
